PROCEEDINGS UNDER THE PACKERS AND STOCKYARDS ACT

Docket No. 1043.—In re Ralph O. Wright, trading as Ralph O. Wright Livestock Commission Co., Oklahoma City, Okla. On or about October 1, 1937, W. H. Hill, manager, Amarillo Livestock Sales Co., Amarillo, Tex., filed a complaint with the Secretary against Ralph O. Wright, alleging that on or about August 24 the Amarillo Livestock Sales Co. sold 46 head of cattle to J. L. Pendergraft; that the latter gave the company his check on the Stockyard Bank at Oklahoma City; that the bank refused to pay the check because Pendergraft had

insufficient funds; that pursuant to his instructions the cattle were shipped in his name to the respondent at Oklahoma City for sale; and that no payment therefor has been received. A hearing was had on June 6, 1938, at which evidence was adduced showing that the cattle were sold for $1,490.21, of which the respondent applied $1,224.87 against Pendergraft's indebtedness to him and gave Pendergraft a check for the balance of $265.34. On September 24 the examiner issued his report, findings of fact, conclusion, and recommended order to which the respondent filed exceptions on October 19 and waived oral argument. On November 18 the Acting Secretary issued an order awarding the complainant reparation in the sum of $1,490.21 with interest thereon from August 26, 1937, at the rate of 6 percent per annum, and ordered the respondent to cease and desist from appropriating to his own account in satisfaction of an indebtedness due him from the consignor any part of the proceeds arising from the sale of livestock sold by the respondent on consignment, when the respondent knows that the consignor has not paid for the livestock or has not made arrangements satisfactory to the owner for payment and when respondent knows that the proceeds from the sale of livestock legally belong to one other than the consignor.

Docket No. 1145.—In re J. Thompson and Roy Thompson, partners, trading as Thompson & Thompson, Yuma, Colo. On July 18, 1938, the Secretary issued an inquiry and notice of hearing alleging that from January 17, 1938, to and including July 18 the respondents engaged in and used an unfair, unjustly discriminatory and deceptive practice and device in the buying and selling of livestock in interstate commerce in that they did not furnish a reasonable bond as provided in the act, the supplements thereto and the rules and regulations thereunder and had failed to notify shippers to and buyers and vendors at the Yuma Livestock Auction that they were without such bond or indemnity and had thereby induced shippers and vendors to sell livestock to them. On August 25 the respondents accepted service of the notice of inquiry, admitted the truth of the matters and things therein alleged and waived a hearing thereon. On November 18 the Acting Secretary issued an order requiring the respondents to cease and desist from the unfair practice complained of, such order to become effective 10 days from the receipt thereof by the respondents.

Docket No. 1156.—In re Joseph Cohen, Philadelphia, Pa. The Acting Secretary on August 2, 1938, issued an inquiry and notice of hearing alleging that the respondent had engaged in and used an unfair and deceptive practice and device in that since January 8, 1938, while holding himself out as being financially able to fulfill the obligations that he would incur as a licensee, he made purchases of live poultry in interstate commerce from various parties; that he was not financially able to fulfill the obligations incurred and failed and refused to make payment in full therefor; and that the respondent has failed to keep such accounts, records, and memoranda as fully and correctly disclose all transactions involved in his business. A hearing was held on August 18, 1938, at Philadelphia. A copy of the examiner's report was served on the respondent and no exceptions were filed. On November 19 the Secretary issued an order revoking license No. 1474 which had been issued to the respondent.

Poultry License Orders

Hearings have been held to allow applicants for licenses to buy, sell, and handle live poultry in commerce an opportunity to show cause why their applications, made under title V of the Packers and Stockyards Act, should not be denied. During the month of November an order was issued granting a license to the Church Avenue Poultry Co., Inc., Brooklyn, N. Y., Docket No. 685. During the same period an order was issued denying a license to the Berriman Live Poultry Corporation, Brooklyn, N. Y., Docket No. 1147.
